

Name: Tereza Murray

Family: husband Steve, son Damon, twin daughters Hunter & Maisson

Reside: 20 minutes from Auckland on a gorgeous property where every day I get to look out at rolling pastures and beautiful trees with our 5 horses grazing peacefully (most of the time), 17 chickens trying to find sneaky spots to lay their eggs and two dogs Schamitz (Doberman) and Noodle (Brussels Griffon) desperately trying to hunt down the said eggs!

About Me: My husband and I started our first company 11 years ago which we still own and run. Six years later I started another company Pampered on Location and sold it early this year to start Fashion Trader which is truly my passion. I am lucky enough to work from home so don't have to battle the nasty Auckland traffic, just the odd chicken trying to sneak inside and lay an egg on the Futon!

Likes: I love working, in fact sadly I would have to count it as one of my hobbies...however I am not a workaholic...I have a great balance of family and fun. I love a glass (or 3) of good Champagne accompanied by delicious breads, olive oil & balsamic vinegar :-)-

I am a huge U2 fan, in fact I was lucky enough to see them in concert in Paris in July, twice...it was truly a highlight of my life and an experience I will never forget. My fan-ship goes back nearly 20 years when my sister and I would perform 'rock concerts' to their music with my mum's couch being the main stage...I filled in for Bono while my sister morphed between Edge & Adam. We were pretty spectacular....Bless.

Dislikes: Crap music, buying shoes only to discover when you tried them on in the shop your feet were having a 'skinny moment' and now the shoes hurt like hell! Tardiness....I am a very punctual person and anyone who has ever worked for me and been late will attest to this :-P. Mud!...roll on summer.

Goals: To make fashion Trader the website of choice for NZ women wanting to shop for clothing online. With the launch of our Virtual Shopping Mall in September we will be showcasing a range of women's clothing websites....our aim is to provide our visitors with a visually appealing "one stop shop" when it comes to finding the best NZ clothing websites.
